## **About the institution**

Sree Siddaganga Education Society is renowned for engendering leading educational institutions. Imbued with a fervent longing to guide and serve the society, Sree Siddaganga Education Society has established educational institutions over the years all over the country. In these institutions, the students are exposed to a wide spectrum of knowledge from traditional learning of Sanskrit to modern science and technology.

His Holiness has visualised with his sense of intuitive perception a society with morally righteous, ethically upright and socially enlightened, a society in which a sense of dignity of labour and unity of mankind is all pervasive, in substance a society based on the noble teaching of Lord Basava. To create the society of his vision, His Holiness felt the need of teachers of innate worth and nobility of character who work with dedication and strive to raise to the status of Acharyas of olden days. To prepare such quality teachers Revered Swamiji started the college of education at Tumakuru in the year 1972.

Sree Siddagange College of Education is one of the reputed institutions run by Sree Siddaganga Education Society under the patronage of Sree Siddaganga Math. It is situated in the heart of the city and housed in a three storied building.

At the time of inception, the college was affiliated to Mysore University. Later it was brought under Bangalore university. At present, the college is temporarily affiliated to Tumkur University and recognised by NCTE. The institution came under Grant-in-aid system in the year 2009 by the Government of Karnataka. The

college is included under 2(f) and 12(b) of UGC Act. The college was accredited by NAAC with 'A' Grade with CGP 3.02 in the year 2017.
